BY CHECKING THE REQUIRED ACCEPTANCE BOX BELOW AND THEN ACCESSING, DOWNLOADING, ACTIVATING OR USING THE PRODUCT, YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS AGREEMENT ON BEHALF OF THE LICENSEE.

DISCLAIMER AND PRODUCT USE AGREEMENT

LICENSEE'S ACCEPTANCE OF THE TERMS OF THIS AGREEMENT IS A MATERIAL PART OF THE TOTAL CONSIDERATION REQUIRED TO UTILIZE THIS PRODUCT.

GRANT OF LICENSE

Licensor hereby grants Licensee a limited, non-exclusive, non-transferable license to use the product in its intended manner solely for Licensee's internal business or organizational use and not

for distribution or sublicensing to any third party. Licensor retains its ownership interests in all products, technology, and other proprietary materials or content that Licensor supplies to Licensee under this Agreement. Licensee acknowledges that this Agreement is a commercial agreement entered into in connection with Licensee's business or organizational activities and is not a consumer contract.

TERMS OF USE:

1. The authors, inventors, creators, promoters, and owners of the products made available for use by Licensor through its website, any other website, or another form of access (including digital media, email, mail, virtual meeting, or face-to-face meeting) have used their best efforts in preparing these products.
2. Because each business, organization, and institution is subject to different vulnerabilities and threats and operates in differing corporate, cultural, organizational, regulatory, and legal environments, all of which are constantly changing, Licensor cannot guarantee that all information in its marketing materials, products, website, or any other website will completely address Licensee's obligations, preparedness needs, premises, events, operations, or circumstances under Martyn's Law or related guidance. All products are provided "As Is," without representation, warranty, or condition of any kind whatsoever. Licensee acknowledges that there may be special conditions in its operations that require modification of these products. It is the ultimate responsibility of Licensee to determine their sufficiency for the intended use, with or without change.
3. To the maximum extent provided by law, Licensor, its agents, directors, and officers, or the agents, directors, and officers of Licensor's insurance partners through whom Licensee or its agents may have been given access to this product, shall not be liable for any damages whatsoever (including compensatory, special, direct, incidental, indirect, consequential, punitive, or any other damages) arising out of the use of or inability to use the products provided in the ToolKit.
4. The parties agree that Licensee should obtain advice from appropriately qualified legal, security, emergency planning, or other professional advisers, as appropriate, before adopting or implementing ToolKit materials or making legal or regulatory compliance determinations.
5. Licensor does not warrant the performance, effectiveness, or applicability of any sites listed or linked to in this product.
6. All links listed in or linked from this product are provided for informational purposes only and are not warranted as to content, accuracy, or any other implied or explicit purpose.
7. This product and its attendant materials are copyrighted. Licensee may copy and modify working copies of the ToolKit solely as reasonably necessary for Licensee's own internal business or organizational use and implementation. Except for such authorized internal use, no part of the product may be copied, reproduced, distributed, published, displayed, sold, sublicensed, or otherwise made available to any third party without Licensor's prior written consent, other than documents in the public domain that are included within the product.
8. Neither the inclusion of this product within an existing insurance program nor the making of this product available through any other means or channel is intended to create an attorney-client relationship. Receipt or use of the product does not create an attorney-client relationship, is not provided in the course of an attorney-client relationship, and is not intended to constitute legal advice or substitute for obtaining legal advice concerning the issues addressed herein. Licensee

shall ensure that its plans, policies, and methods of implementation comply with all relevant laws and regulations.

9. The ToolKit does not itself constitute compliance with Martyn's Law, a legal determination that Martyn's Law applies to any premises or event, or a complete compliance document, emergency response plan, public protection procedure, public protection measure, notification, or other legally required record. Licensee may use the ToolKit as a development and readiness resource and remains responsible for determining which legal duties apply and for completing, tailoring, approving, implementing, maintaining, and updating its own documentation and procedures.
10. By using these products, Licensee agrees and acknowledges that the products are being used for Licensee's internal business or organizational use and that special conditions may exist in Licensee's operations that require modification of these products. The ToolKit may be used to assist Licensee in developing and documenting its Martyn's Law compliance and preparedness program, including, as applicable, its compliance framework, inventory, emergency response planning, public protection procedures and measures, risk and vulnerability considerations, exercising and training records, and notification-readiness information. It is the ultimate responsibility of Licensee to determine product sufficiency for the intended use, with or without change. Any changes made to the content, appearance, or layout of an original product without the assistance of Licensors are made at the risk of affecting the validity or suitability of the product, and Licensors cannot be held responsible for consequences resulting from such changes. Licensors are available for product support via email at martynslaw@crisisrisk.com.
11. All products in the Toolkit belong exclusively to Licensors. The unauthorized reproduction of Licensors' products is forbidden and may not be sold or redistributed without the express written consent of Licensors. Licensors' copyrights and proprietary rights will be strictly enforced.

RESTRICTIONS

Except for modifications expressly permitted for Licensee's own internal business or organizational use under this Agreement, Licensee will not reproduce, distribute, publish, display, broadcast, merge, link, disclose, sell, rent, lease, loan, create derivative works of or assign, license, sublicense, or otherwise encumber the rights and license granted hereunder, or otherwise use for any third party any Licensors products. Licensee will not attempt (or allow any third party) to reverse engineer, disassemble, or otherwise attempt to derive any underlying structure or methodology of any Licensors products, and Licensors reserves all rights in and to the products that are not expressly granted hereunder. Licensee may not market, co-brand, private label, or otherwise permit third parties to access the products in the ToolKit, or any part thereof. Licensee may not use the products in the ToolKit, or any part thereof, for the benefit of any other person or entity. Licensee may not cause, assist, or permit any third party to do any of the foregoing.

TITLE

Licensors remains the owner of all right, title, and interest in the product and related materials. Licensors reserves all rights not specifically granted to Licensee above. The license granted above will be narrowly construed in Licensors' favor. Licensors will have the right to proceed against Licensee if Licensee infringes Licensors' rights. Any use outside the precise scope of the license set forth above will be considered an infringement. In the event of infringement, Licensors reserves the right to pursue any legal remedy available to it, including, but not limited to, recovery of damages, injunctive relief, statutory damages, attorney fees, and any other available legal remedy.

TERM AND TERMINATION

This Agreement takes effect upon Licensee's receipt of or access to the product and remains effective until terminated. Licensee may terminate it at any time by destroying all copies of the product in Licensee's possession. It will also automatically terminate if Licensee fails to comply with any term or condition of this License Agreement. Upon termination, Licensee agrees to destroy all copies of the product, including electronic versions, in Licensee's possession.

Licensee will be eligible to receive product updates and amendments for as long as Licensee remains a current insured within the insurance program through which Licensee initially received access to this product.

CONFIDENTIALITY

The product contains trade secrets and proprietary knowledge belonging to Licensor and is being made available to Licensee in strict confidence. ANY USE OR DISCLOSURE OF THE PRODUCT OTHER THAN IN STRICT ACCORDANCE WITH THIS AGREEMENT MAY BE ACTIONABLE AS A VIOLATION OF LICENSOR'S TRADE SECRET RIGHTS.

PRODUCT DISCLAIMER

Use of Licensor's products included in the ToolKit may have important consequences and should be undertaken with appropriate professional guidance. Licensee acknowledges that there may be special conditions in its operations that require modification of these products. It is the ultimate responsibility of Licensee to determine their sufficiency for the intended use, with or without change. Liability will not be accepted for any loss or damage, however caused. The products included in the ToolKit are provided "As Is," without warranty or condition of any kind whatsoever. To the maximum extent provided by law, Licensor, its agents, directors, and officers shall not be liable for any damages whatsoever (including compensatory, special, direct, incidental, indirect, consequential, punitive, or any other damages) arising out of the use of or inability to use the products provided in this ToolKit.

Licensor's products include content and information aggregated or drawn from members of Licensor's Expert Council, Licensor's staff, and a wide variety of public-domain and other public sources, including UK governmental and regulatory sources and, where applicable, publicly available Home Office and Security Industry Authority materials. While much of the content is original, other content has been edited, rewritten, or elaborated upon; some text or content may remain in its original form as published in the public domain.

The parties acknowledge that any changes made by Licensee to the content, appearance, or layout of a Licensor product are made at the risk of affecting the validity or suitability of the product. Licensor cannot be responsible for consequences resulting from changes made by Licensee. Licensee is strongly encouraged to seek appropriate professional advice regarding the validity and consequences of any changes made to these products. THE ENTIRE RISK AS TO THE RESULTS AND PERFORMANCE OF THE PRODUCTS AND/OR SERVICES IS ASSUMED BY LICENSEE.

NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY LICENSOR SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS WARRANTY, AND LICENSEE MAY NOT RELY ON SUCH INFORMATION OR ADVICE TO DO SO.

TECHNOLOGY DISCLAIMER

Licensee understands that Licensor cannot and does not guarantee or warrant that files available for downloading from the Internet will be free of viruses, worms, Trojan horses or other code that may manifest contaminating or destructive properties. Licensee is responsible for implementing sufficient procedures and checkpoints to satisfy Licensee's particular requirements for accuracy of data input and output, and for maintaining a means external to this site for the reconstruction of any lost data. Licensor does not assume any responsibility or risk for Licensee's use of the Internet.

LIMITATION & EXCLUSION OF LIABILITY

In no event will Licensor be liable to Licensee or any third party for any incidental or consequential damages (including, without limitation, indirect, special, punitive, or exemplary damages for loss of business, loss of profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use the ToolKit or other Licensor product, or for any claim by any other party, even if Licensor has been advised of the possibility of such damages. Licensor makes no guarantees or assurances that the ToolKit and products therein will achieve Licensee's specific goals. If this limitation of liability or the exclusion of warranty set forth herein is held inapplicable or unenforceable for any reason, then the cumulative maximum liability of Licensor and its affiliates, including their officers, directors, employees, subcontractors, agents, successors, or assigns, for any type of damages shall be limited to the amount paid for this product. Some states do not allow the exclusions or limitations provided herein, and they may not apply to Licensee. Licensee may also have other rights that vary from state to state.

Licensee agrees, when using the ToolKit and the products contained therein to support Martyn's Law preparedness or compliance activities, to use appropriate care and obtain qualified professional advice where appropriate. Licensee agrees to indemnify, defend, and hold harmless Licensor and its subsidiaries, affiliates, officers, directors, employees, subcontractors, agents, successors, or assigns, as well as the agents, directors, and officers of Licensor's insurance partners through whom Licensee may have been given access to this product, from any and all third-party claims, liability, damages, and/or costs (including, but not limited to, attorney fees) arising from Licensee's use of Licensor's products, Licensee's development of any documentation related to preparedness for the Terrorism (Protection of Premises) Act 2025 ("Martyn's Law"), Licensee's violation of this Agreement, Licensee's breach of these Terms of Use, including any use of content other than as expressly authorized in these Terms of Use, or Licensee's infringement of any intellectual property or other right of any third party.

DISPUTES

GOVERNING LAW. This Agreement and any dispute, claim, or controversy arising out of or relating to this Agreement, the ToolKit, or any Licensor product shall be governed by and construed in

accordance with the laws of the State of New York, without regard to conflict-of-laws principles that would require the application of the laws of another jurisdiction.

EXCLUSIVE JURISDICTION. Each party irrevocably agrees that the state and federal courts located in the State of New York shall have exclusive jurisdiction over any dispute, claim, or controversy arising out of or relating to this Agreement, the ToolKit, or any Licensor product. Each party irrevocably submits to the personal jurisdiction of those courts and waives any objection based on venue, inconvenient forum, or similar grounds.

Without limiting the foregoing exclusive-jurisdiction provision, to the extent Licensee has violated or threatened to violate Licensor's intellectual property or proprietary rights, Licensor and/or its affiliates may seek injunctive or other appropriate equitable relief in the state or federal courts located in the State of New York.

PRIVACY AND DATA PROCESSING

In connection with establishing and administering access to the ToolKit, documenting acceptance of this Agreement, authenticating authorized users, protecting Licensor's proprietary materials, and maintaining appropriate contractual, security, and legal records, CrisisRisk Strategies, LLC may collect, maintain, or generate personal information concerning the individual accepting this Agreement or accessing the ToolKit.

Such information may include the individual's name, business email address, company or organization, job title or professional role, username or other account identifiers, electronic acceptance or signature, date and time of acceptance or access, Internet Protocol ("IP") address, login and access activity, and other technical, authentication, security, or audit information associated with use of the restricted-access resources.

Where access to the ToolKit is provided through or in connection with an insurer, broker, insurance program, or other authorized organization, CrisisRisk may receive information from such organization as reasonably necessary to verify eligibility for access.

Acceptance of this Agreement does not constitute consent to receive unrelated marketing communications. Any marketing communications will be handled in accordance with applicable law and the CrisisRisk Privacy Policy.

GENERAL PROVISIONS

Licensee acknowledges and agrees that no agency, partnership, franchise, joint venture, or employer-employee relationship is intended or created by this Agreement.

This Agreement, the rights granted hereunder, including the Toolkit, shall not be assigned by Licensee without the prior written consent of Licensor.

If any part of this Agreement is found invalid or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be interpreted so as to reasonably effect the intention of the parties.

This Agreement constitutes the entire understanding of the parties with respect to the subject matter hereof and may be amended only as provided in the UPDATES TO TOOLKIT; AMENDMENTS TO AGREEMENT section below.

Article headings are included for convenience only and form no part of the Agreement.

Licensee agrees that any notice to be sent to Licensee, including, but not limited to, legal notices and court-related notices, shall be sent by email to the email address designated by Licensee when the license to use Licensor's products was activated. Any notices to Licensor must be sent by certified mail, return receipt requested, to the address set forth in the first paragraph of this License Agreement.

UPDATES TO TOOLKIT; AMENDMENTS TO AGREEMENT

Licensor may from time to time revise, update, replace, supplement, or discontinue any portion of the ToolKit or the products and materials contained therein, including to reflect changes in law, regulation, statutory guidance, regulatory guidance, professional practice, or Licensor's risk-management recommendations. Such changes to the ToolKit or its content do not constitute amendments to this Agreement and do not require Licensee to re-execute or re-accept this Agreement.

Licensee may receive updated or replacement versions of ToolKit materials while Licensee remains eligible for access under the applicable insurance program or other authorization through which access was provided.

Licensor may also amend the terms of this Agreement from time to time. No amendment to this Agreement will retroactively alter rights or obligations arising before the effective date of the amendment unless the parties expressly agree otherwise.

Except as provided above, no modification of this Agreement is effective unless made in accordance with this Section.

This written Agreement is the exclusive agreement between Licensee and Licensor concerning the product and related materials and supersedes any prior communication, advertising, or representation concerning the product.
